

ORIGINAL BOOK COVER

SUMMARY

A Game of Thrones follows political intrigue and power struggles in the fictional continent of Westeros. King Robert visits Winterfell to make Ned Stark his Hand after the previous one, Jon Arryn, dies under suspicious circumstances. Tensions rise when Ned's son Bran discovers Queen Cersei and her brother Jaime in an incestuous relationship, leading to Bran's fall. As Ned investigates, he uncovers that Robert's heirs are illegitimate, leading to his arrest and execution. Meanwhile, Jon Snow joins the Night's Watch, facing threats beyond the Wall. Across the sea, Daenerys Targaryen marries Khal Drogo and ultimately hatches three dragons, setting the stage for her claim to the throne. War erupts as noble houses vie for power amidst growing supernatural threats.

BRAINSTORMING

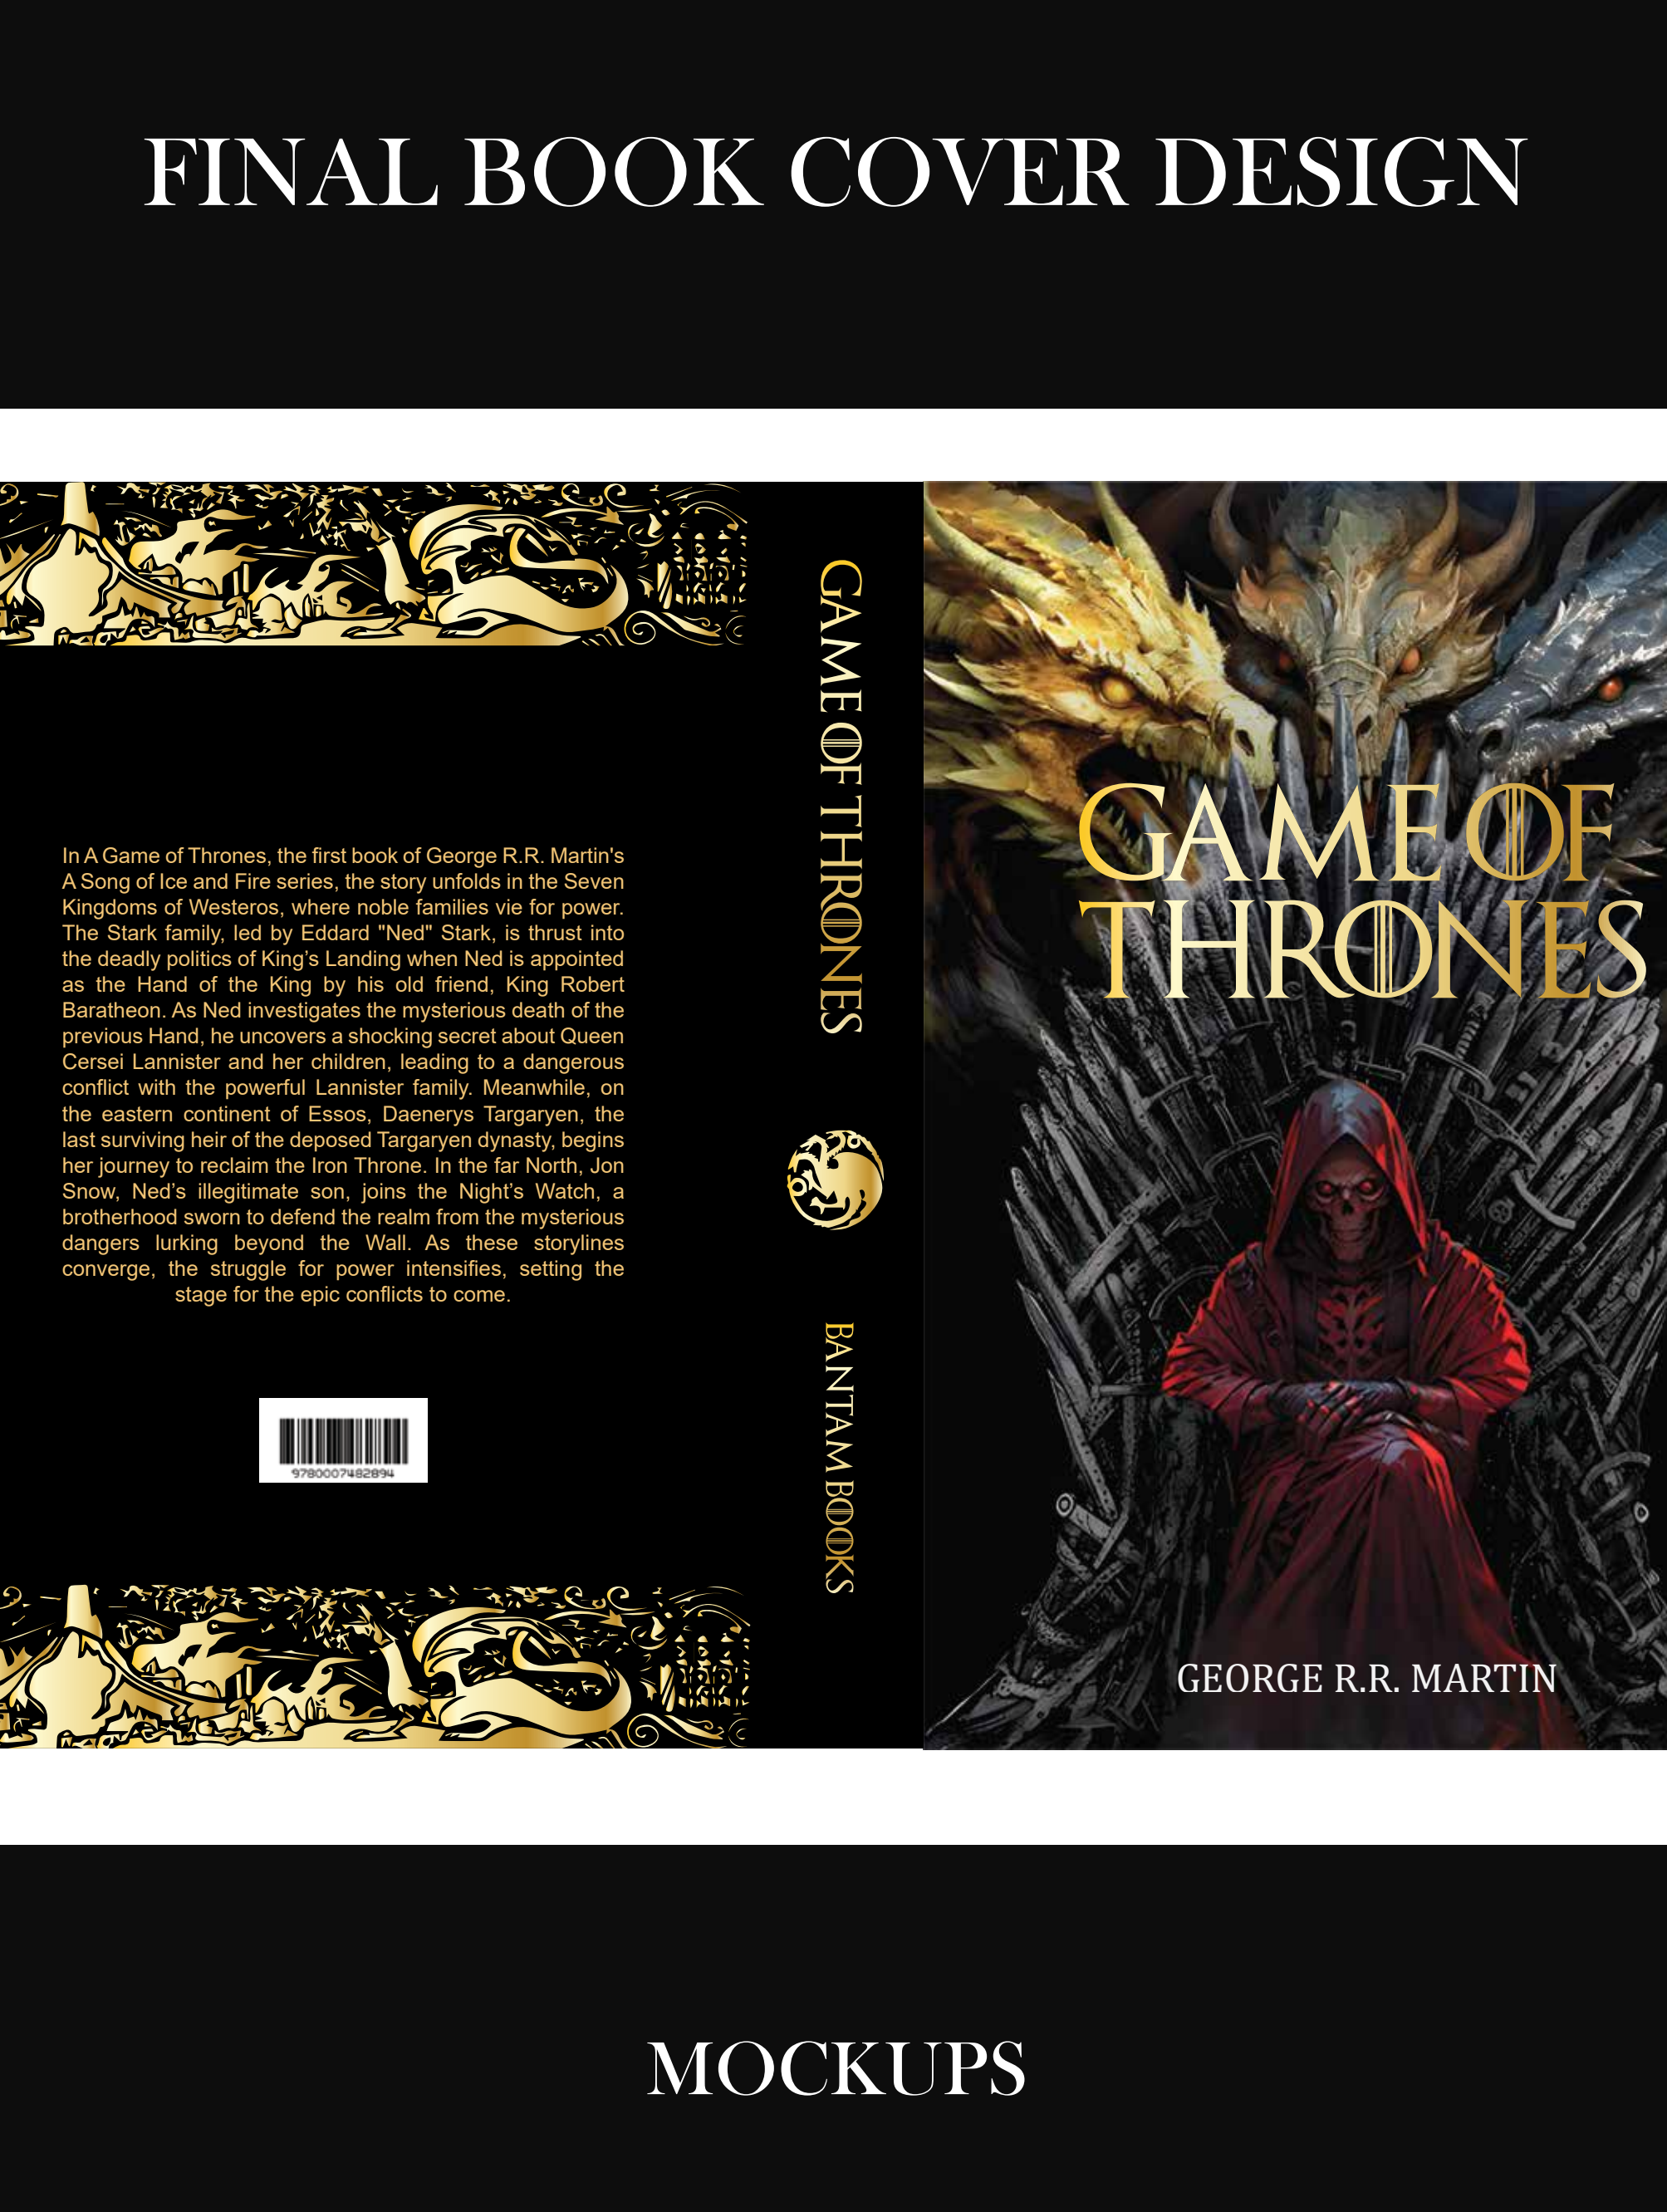

CONCEPT NOTE

"Game of Thrones" originally based on the "A Song of Ice and Fire" novels by George R.R. Martin. The series is known for its complex characters, intricate political dynamics, and epic battles, set in the fictional continents of Westeros and Essos.

The grim reaper depicts death whereas him sitting on the iron throne shows the people fighting and killing themselves for the throne. Everyone is behind acquiring the throne and power. The three dragons in the back show the gift that Daenerys Targaryen got. The three dragons are the green dragon, black dragon and cream and gold dragon.
